

Stavanger Svømme Club and Madla Svømmeklubb were merged into one swimming club on the 18th of April 2018. The new club, now called Stavanger Svømmeklubb, is today Norway's largest swimming club with 4000 members.

The club that was first founded in 1910 has a long and proud history of strong traditions, defined values and solid economy. We are among the best clubs in Norway with participants in international championships (Olympics, World and European Championships). The club give children, youngsters, adults and people with disabilities the opportunity to learn, train, compete and develop in a safe, healthy and inclusive environment.

The club has a general manager, an office administrator, a swimming school manager, 7 full-time coaches, as well as a number of group trainers and swimming instructors. The main goal for Stavanger Svømmeklubb is that we want be the preferred swimming club in Rogaland County and a swimming club where the best swimmers want to be.

Norway's largest swimming club is seeking a **Sports Manager**

Stavanger Svømmeklubb is seeking an experienced, competent and committed sports manager for a full time position that can broaden, develop and strengthen the club's position as one of the best swimming clubs in Norway. The club's sports manager will be responsible for coordinating, leading and implementing the sporting activity of the club, as well as having the professional responsibility and follow-up of the club's coaches.

The sports manager should have knowledge of Norwegian swimming in terms of structure, culture and training philosophy.

The job involves close cooperation with other members of the sports committee, general manager and coaches to develop the club. The sports manager will be a central figure in further development of the sport plan. Stavanger Svømmeklubb wishes to develop swimmers in both broad and elite perspective through high quality coaching and safe swimming with an emphasis on mastering skills as well as enjoyment in an inclusive environment.

Main Tasks

- Overall responsibility for the club's sport development, activities and competitive activities, including annual planning and activity lists for all, as well as organizing of coaches.
- Academic/professional authority over sport activities, both on land and in water.
- Daily responsibility for the club's training and competition groups, as well as participation in competitions and on training camps.
- Administrative tasks related to training, competitions, training camps, coach/staff follow-up, etc.
- Sports Manager reports to General Manager.
